### Skill development along value chains

Several Sectors in the Group are catalysts for skill development in their respective industries and value chains, sharing best practices, raising awareness on latest technology and supporting the future-readiness and resilience of these value chains. Key ongoing interventions include the following:

#### Singer Fashion Academy

The Singer Academy supports livelihood development through empowering youth who wish to pursue a career in sewing, by providing opportunities for skill development through 6 fashion academies. The School aims to provide future fashion entrepreneurs an understanding of the scope and opportunities available in the field of fashion design at an affordable cost

**Total students trained: over 5,400**

#### Fabricator Training By Alumex

Alumex has contributed towards the development of a skilled and competent construction industry through building capacity in aluminium extrusions, providing practical insights into the application and usage of Aluminium profiles, components, new products and new technologies through multi-faceted training programmes. The training is targeted towards a wide range of fabricators and technicians including students of VTA affiliated Technical Colleges, CECB, Buildings Department, Provincial Councils, ICTAD, Contractors, Sri Lanka Army, Navy, Air Force and other Technical Colleges (Government/ Non-Government) island wide.

**20,000 fabricators trained to date**

#### Agriculture Training Schools

The Hayleys Agriculture Training school conducts training programs for a range of stakeholders including teachers, industry practitioners and commercial operators. While supporting our financial objectives this initiative also aims to enhance the agricultural skill base in Sri Lanka, given the shortage of skilled labour in the industry.

### COMMUNITY ENGAGEMENT

**CSR Governance:** All CSR initiatives are aligned to the Group Community Engagement policy but formulated and driven at Sector level; certain significant projects are also driven by the Centre. The Group ESG Steering Committee has oversight responsibility on the Group's CSR activities. Details pertaining to CSR activities, beneficiaries and impacts are reported by the Sectors to the Group ESG division on a quarterly basis.

**Measuring our impact:** Sectors monitor the impact of its community engagement activities on an ongoing basis, defining project-specific criteria to monitor progress and assess success. From a Group perspective, total beneficiaries, CSR investments and volunteer hours are monitored on a consistent basis.

### INDUSTRY PARTNERSHIPS

As a dominant player and active stakeholder in several of its business sectors, the Group contributes proactively to industry forums and associations, engaging with stakeholders and the government to provide input in creating an enabling industry and regulatory environment. The Group holds memberships in the following industry associations

**HIGHLIGHTS OF THE GROUP'S COMMUNITY RELATIONSHIPS POLICY**

- Sectors should actively engage in strategic community development initiatives, broadly focusing on the key areas of education, health and well-being, livelihood development, religion and culture
- Encourage and reward employee volunteerism, thereby recognising employee involvement.
- The progress of all projects should be monitored periodically, through impact assessments, audits, feedback from beneficiaries and independent third parties (where necessary) to ensure that program objectives are met.

**KEY CSR INTERVENTIONS IN 2023/24**

The Group's community engagement activities during the year were designed to address critical community needs while leveraging the Group's strengths in specific areas and aligning with the aspirations of the Hayleys Lifecode. Key CSR initiatives conducted during the year are summarised below:

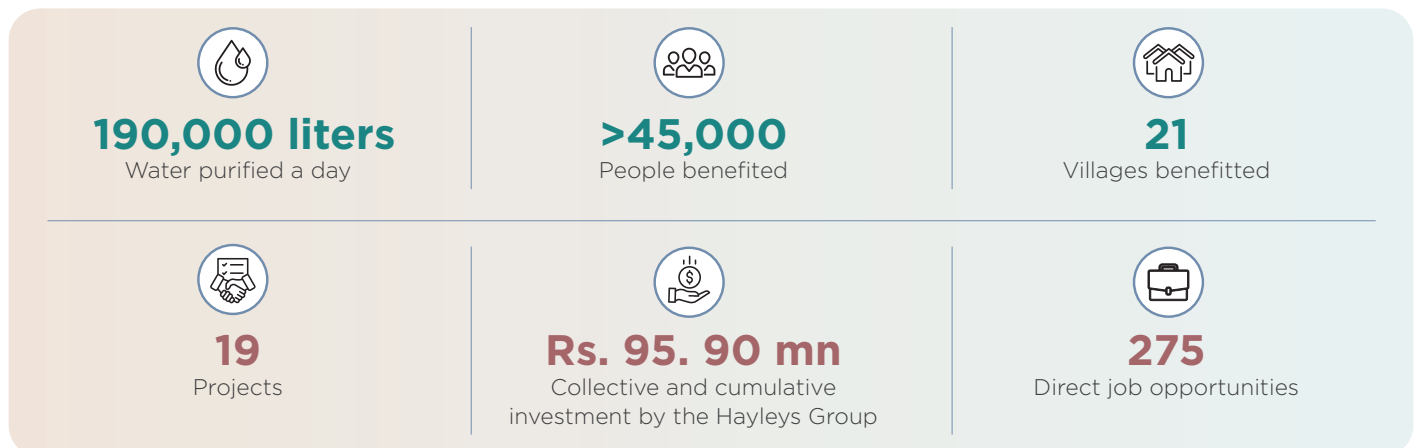

**Sisu Divi Pahana**

Initiated by the Purification Sector as part of its 50th anniversary commemoration, 'Sisu Divi Pahana' provides nutritious mid-day meals to students across 13 schools in Madampe, Wewalduwa, Kaluthara, Mahiyanganaya, Padaviya and Batticaloa. The programme was launched amidst the surge in food inflation last year and has contributed towards preventing acute malnutrition in students and increasing retention levels in schools. During the year, the Hand Protection Sector also joined the initiative, thereby widening impact and coverage.

**Puritas Sath Diyawara**

Puritas Sath Diyawara leverages the Group's expertise in water purification to provide purified water to families in areas affected by Chronic Kidney Disease (CKD). Conceptualised and launched by Puritas (Pvt.) Ltd., the initiative has expanded in partnership with other sectors within the Group. A Puritas Sath Diyawara project consists of commissioning a Reverse Osmosis (RO) water treatment plant and distribution system (through docking stations) to enable residents to obtain high quality potable water.
